How does PropertyPayLater work?

1 We send you a payment link

You can choose to pay with a credit card or select PropertyPayLater powered by Latitude to pay in equal monthly instalments, interest free!*

2 Fill your details

If you choose to use PropertyPayLater, a pop-up screen will appear, and you can apply for a Latitude interest free payment plan. If you already have a participating Latitude credit card, you can start spending up to your available credit limit.

3 Choose your repayment schedule

You can choose to pay over 6 or 12 equal monthly installments, interest free*. An \$9.95 monthly account service fee for a Latitude Gem Visa credit card applies. For all other participating Latitude credit cards, please refer to the product websites for other conditions, fees and charges that apply.

4 Approval & Payment

Once approved, the funds will go to us. You then pay in equal monthly instalments based on the repayment schedule you selected.

5 Manage Repayments

You will receive communications from Latitude confirming your repayment schedule based on your payment preferences. You can also manage your payments online on Latitude's website.

Minimum spend \$250 for 6 months and \$500 for 12 months. Equal monthly payments required. New customers must apply and be approved for a Latitude Gem Visa credit card. Available on participating Latitude credit cards only.

Conditions, fees and charges apply. The plan is payable by 6 or 12 equal monthly instalments (exact amounts specified in your statement). As the equal monthly payment plan is for a term less than 33 months, the minimum monthly payment will be greater than an interest free payment for the same term and you may pay more interest on any other outstanding balance on your credit card account, as your repayments will be allocated to this plan first. If you don't make your minimum monthly payment, for two consecutive months, you agree that all equal monthly payment plans with a term less than 33 months will change to a minimum monthly payment plan for the remainder of the original plan term. Interest may apply on any outstanding balance upon expiry of the promotional period at 25.90% p.a. Account service fee of \$9.95 per month applies.
